Token Rights Rewards

Note: Users at VIP 9 and above can receive daily token dividend rewards based on their token rights coefficient. The higher the level, the greater the token dividends.

Level	Promotion Requirements	Token Rights Coefficient	Token Rights Dividend Rewards
VIP 9 ★	1 VIP9 user	Token rights value coefficient = 1	**Token Rights Calculation** **Token Rights Value** = Subgroup Investment × Coefficient × 20%
VIP 9 ★★	2 directly–invited VIP9 users	Token rights value coefficient = 2	**Daily Token Reward** = (User's Token Rights / Total Network Token Rights) × Total Daily Earnings × 10% **Note:** *Subgroup Investment* = Total investment of all lower-level teams (excluding the largest team).
VIP 9 ★★★	3 directly–invited VIP9 users	Token rights value coefficient = 3	*Reward* = Token issued, equivalent to USDT.

Thank You!
